	<p>350.org is building the global grassroots climate movement that can hold our leaders accountable to science and justice. Founded in 2008 by Bill McKibben and named after 350 parts per million being the safe concentration of carbon dioxide in the atmosphere</p>	<p>https://350.org/resources/</p>
	<p>How to make art guides.</p> <p>#FridaysForFuture is a movement that began in August 2018, after 15 years old Greta Thunberg sat in front of the Swedish parliament every schoolday for three weeks, to protest against the lack of action on the climate crisis. The hashtags #FridaysForFuture and #Climatestrike spread and many students and adults began to protest outside of their parliaments and local city halls all over the world. This has also inspired the Belgium Thursday school strikes.</p>	<p>http://art.350.org/guides/</p> <p>https://www.fridaysforfuture.org/</p>
